“ So many shared life experiences in the 40 years I have known Patty. She was gregarious, welcoming, and never knew a stranger, She shared whatever she had and was a totally giving person. I have the fondest memories of our friendship, and I can still hear her laugh, which was rich and often. Yes, Patty, you were a "free spirit" and it suited you. Rest well, my friend, you were busy enough every day of your life.
