“ I loved Ms. Pat. She was my teacher at Greenwood Elementary School and I had great respect for her. I would see her coming out of NPMC and would stop and greet her and remind her when she was my teacher. Somehow she always remembered me by my younger sister, Tricia.

“ I am so sorry to hear of Patsy's passing. When I was a very little girl she and Cookie were like big Sisters to me. Their grandparents were like my only grandparents. She has now joined her family in heaven and how they are rejoicing right now. .Love Wanda Carol

“ *My favorite teacher who made a impression on me at an early age. Hardister Rule of Thumb in Test Taking. "Your first answer is correct 80% of the time". I used that throughout college as well. My sister and I ran into her about 10 years ago with her husband and I had to tell her what she did for me in my years. She was a jewel!!*

“ Pat was a special lady that touched many lives, but most of all she loved her family, and those grandchildren were the apple of her eye! You guys have special memories of wonderful times that you have shared with Pat, tuck those away in your heart and you will always have her close. Thank you, Jesus, for allowing us to have had this time with your servant. Amen
