“ Jerry and I thought the world of "Maintenance Pat". We kidded about how she would answer the phone in the maintenance dept. Pat and I enjoyed our flight together to "Las Vegas". We were blessed with your friendship. ❤️

“ My friendship with Pat started when I was working at Lakewood Convalescent Home where her Uncle Brother (Bill Farr) was a resident. Her mother and other family members were a pleasure. When I moved to working at the Rehabilitation Center she took full credit. She was my number one fan. She loved to hear me sing, thought I was so very funny and loved my Kasey so much. I will miss her smiles, her hugs and her love.

What can I say about Ms. Pat. She was my friend. She loved everyone & did all she could to help. She enjoyed life. She's organizing Heaven's property office right now. I'll miss her. See you soon, Pat.

“ Pat and I shared many fun memories from travel to fun destinations from Nevada to Florida, we never had a dull moment. I will never forget and remember her lovingly, when I took a fall at home and had to have surgery (Vic took me to the hospital ER) and Pat was Johnny-on-the-spot to spend the night with me and stay until my Jami could get there from Missouri. She was totally one of a kind, loved by many. HSRC Breakfast group will miss her smiling face, fun conversation and sweet hugs. Fly High my Friend.
