“ *What a wonderful man Paul truly was. My life is richer to have met him on several occasions...usually while on his mower or running his weedeater. No matter how busy he was, the pain he was in or the hot temperatures...he would shut down what he was doing and share his latest fishing report with me or a humorous story. I am truly saddened at his passing but I am also strengthened by his great courage in which Paul lived and displayed over the past few years.*

2 Timothy 4:7

I have fought a good fight, I have finished my course, I have kept the faith:

May God continue to strengthen and encourage his family and friends during this time of sorrow.

“ Ryan I am so sorry for your lost. I grew up with your mother and father living right next to me when you where a baby. Your dad always played with all of us kids on Phillips street. He was always there to fix all of our bicycle needs. He is now free of all his pain. RIP Paul.

“ I am so sorry for your loss. I met Paul at the YMCA when I began working there, over twenty years ago. He was truly one of the kindest, most giving, selfless men I have ever known. He was always helping someone and never sought recognition or attention for himself. He fought his battle with cancer bravely and with great strength and dignity even in the midst of his excruciating pain...a true testament to his character. He certainly was proud of his son, daughter-in-law and his beautiful grandchildren. We shared pictures of our grandchildren whenever we saw one another. I have prayed for him since the cancer began and he always mentioned how grateful he was for the prayers. I loved Paul and feel honored to have been a friend. Thankful that I will see him again one day. God bless your sweet family. Marisa Rasnic
