“ Man grandma this is rjay I just wanna say I miss you so much. Everything has changed since you've been gone. I have been getting in trouble. I got locked up and some more stuff, but I knew that you always wished the best for me now I've done got into boxing because I know that you always enjoyed fighting. Maybe one day I might try WWE I got out of ALE that's a good thing. I was getting a lot of trouble now. I'm just now getting back on track. I know if you were still here though you would've whooped my butt, but I just wanna let you know. I'm gonna keep going and keep her pursuing. Love you, grandma.
