“ We always thought of Pete as a friend. He will be so greatly missed. He was always pulling one of us out the ditch or fixing a flat. But the most important thing he always had, was time to share a story or a laugh. We're so sorry he's gone, there won't be anyone else like him. Rest in peace, friend. Hunt with the angels. God be with his family and bring them peace. Love you friend ~ Ted, Tammie, Teddy, Faye & Thad Rotalsky

“ Pete was the most kind hearted, helpful, giving, but yet a quiet man. I am grateful to him for the inspiration he gave to Cody. He would always greet me with a smile, even when I had not seen him in awhile. He will be missed by his family so very much. My heart aches for the loss. Prayers of healing to the family.

“ I have so many memories of Pete but the funniest is I seen Pete down at Fed's (Brady one stop) one morning and Pete said "I had a hard time towing your car the other day". I thought Pete's cheese done slid off his cracker! So I walked over to his truck probably giving him a really goofy look! I said "Pete you haven't towed my car caused I would remember something like that! Besides I haven't been anywhere to be towed!" Pete started laughing! !! He said not you, your little brother 2 or 3 times up off ole 88 he had it up there playing in the mud!!! He just smiled and backed out!!!! Lol

“ Pete will be missed by the whole of Royal. He has been a big part of this community. Growing up with Velma was great, I was always welcome at their house. He's gotten me out of ditches, and even a big puddle of water I thought I could drive through. Rest in Peace Pete, no more pain or suffering.

“ *One of my favorite memories of uncle Pete is the way he kept "beat" with his song book and had that foot going when we were singing Hymns at Palestine Missionary Baptist Church. You could tell he loved the singing of those good ole Gospel songs! I love you uncle Pete! I'll see you soon!*

“ There are so much you can say about Pete Hill that you cannot write it all down but I've had never seen such a hard working man that was always ready to help anybody no matter if it was family or not. He helped and taught me so much over all these years and wouldn't take a dime for his help. Not only did I admire him but respected him greatly. He will always be one of my many memories as long as I live. My thoughts and prayers go out to the Hill. family He will be greatly missed by all

“ My favorite memories of Uncle Pete was when our two families went swimming and picnicking for the day when I was little girl. Remember Uncle Pete and my Dad floating on inner tubes, wonderful day 😊 My next best memorie is of Uncle Pete singing special and stomping his foot at church, I can still hear and see him singing I'll Fly Away. We'll sing again in Heaven Uncle Pete 🙏
