“ Pete was a wonderful grandparent to my children, (Paw Paw Pete) as they would call him. He was an amazing person all around and I hate knowing that he is no longer with us, but I know he is watching over us all family and friends. We will reunite once again with you on the other side when the day is to come. Prayers to all family and friends for the loss of such a great man that has left our lives.

“ *Pete was my very best friend for a long long long time . We traveled, rode motorcycles, bought a house boat and had countless wonderful trips to the lake. But the most fun was having our beautiful children together. I want every one to know that he was one of the best people I have ever met. I always loved to see him smile. He had my heart the day we met and he took it to heaven with him RIP love you are and always will be missed. T*
