“ Sissy & James & Family - Your Dad will be truly missed. It was your Mom and Dad that helped Uncle Bart & I buy our first car. They helped us tremendously in the first few years of our marriage. Without them both, I don't know if we would have made it. Philip was a very giving and compassionate person. You can be assured that he is suffering no more and your Mom and Dad are roaming the highways of heaven checking out all that it has to offer. Love you all. Uncle Bart and Aunt Brenda

“ Bless you and may God ease your sorrow. He will miss you all but he is rejoicing and pain free with the Lord. Can you imagine the family reunion going on up there? I have to smile about that. My oldest memory of Phil was him and Vance showing us how to fly a kite. I thought he had to be the fastest person on earth!

“ Andrea, James and families,I am so sorry to hear about Phil...I have so many good memories of him..I remember being so impressed when I was around 6 years old and he would take an orange Crush or a grape Nehi softdrink and down it in one long gulp! He always made me laugh..he was a good man. I pray for God's loving comfort to take each of you and hold you close until you too can only remember the good times and not the sorrow. Love to all..Debra and Jerry Berry
