“ Ray taught me a few things about driving a cab in town! I'd just moved here from Chicago Don hired me 15 John trained me. I was hired for racing season 2007. I was on night shift we had a great crew and great dispatchers! I'll never forget one busy Saturday Ray sent me to 1405 Hobson there, I put the address in my garmin gps 5Xs called 80, Howard asking him where 1405 Hobson there was at? After a good 30 mins past Ray called DRIVER #22 WHERE ARE YOU! I was nervous as nervous can be when I asked him where 1405 Hobson there was!! It became clear to me at that instant that Hobson there was his cab lingo!! When I came in that evening I felt like a 1st grader embarrassed thought I'd get fired, but everyone in the office got a good laugh... God Bless Ray and the Wallace Family
