“ Things may not have always been perfect but my mom was a very strong woman and always found a way to provide. There is not a day that goes by that I do not think about her. I will always remember everything she has done for me, with me and because of me. Miss you mom

Hi, I am the daughter of Joe Fitzpatrick.... he was with your mom before she passed away. I am so sorry for your loss, I met your mom once when I came to visit my dad many years ago. I would like to ask if you have been in any contact with my dad? Last time I was able to get ahold of him was around your mother's passing. Please if you do know anything I'd greatly appreciate it! I am traveling to Arkansas soon and would like to find him.

Thank you,
Theresa

“ Rhonda Sue, I'm sorry no one told me about your mom, my friend. I haven't seen her in yrs. Every time I ask about your mom no one knew nothing. We were best friends all through school and long after. I worked with her after she was burnt so bad. And when she was PG with you. She named you Sue after me. Honey I'm so sorry, what happened??? You and yours take care... I'm soooo sorry.
