“ Dick was a great guy and brother-in-law. I had many great times and dinners with Dick and Carol over the years. The first time I met him was when I was dating Sandy, his sister back in collage. He had prepared a Swedish dish called lutefisk which I had never eaten and his own home made beer. It was really different and interesting in that I had never eaten lutefisk (and have not since) and the beer was flat. We especially enjoyed visiting them in Hot Springs. He was always happy and in good spirits and made our lives better and more fun. I will be miss him as will we all. Dave Greer.

“ Greetings: I am sorry about your loss. And, I do have a question. When I was young, we lived in ND and would come to see an eye doctor, Dr. Jameston, in downtown Minneapolis. My parents, Peter and Gladys Krump became friends with Dr. Jameston. Dr. Jameston would bring his son, Dick and his daughter to our cabin at Toad Lake near Detroit Lakes, for a few days each year. Dr. Jameston raised beautiful flowers and gave us flowers for the tables at our wedding reception. I have often wondered what happened to this family and wonder if this is Dick Jameston we knew. Again, I am so sorry for your loss, they were such a nice family.
