“ *I am so sorry to hear that Larry has passed away. He did a complex remodel on our home in 1999, and I found him to be very skilled, reliable, honest, and hard-working. The remodel turned out beautifully thanks to Larry, and we still get complements on it. I also enjoyed getting to know him during he weeks he was working at our home, and found him to be a very kind, thoughtful and humble man, with a wonderful positive attitude. My thoughts and prayers are with his family and friends.*
