

## Robert Fred Butler

January 3, 2024 - September 25, 2024

Robert Fred Butler, 56 of Hot Springs, AR passed away September 25, 2024. He was born January 3, 1968, in Delhi, LA to his parents, Don and Laverne Butler. Robert lived in Tallulah, LA until he graduated from Tallulah Academy in 1986. He attended Northeast Louisiana University. He moved to Hot Springs, AR in 1992.

While in Hot Springs, he worked at Community Counseling, First Step and Sam's Club.

Robert didn't meet a stranger, and he enjoyed telling stories, if you knew him, you knew a few of his colorful stories from the past. From fishing, kayaking, hiking and hunting, he loved the outdoors and has been down the Caddo River too many times to count.

He got his love for cooking from his mother; cooking for his family and friends was a hobby he enjoyed, especially when he had an audience and could play his music.

His testimony of his love for the Lord was evident by his servant's heart and love for others. We can rest in the fact that his last breath on earth was his first breath in heaven.

His children were his everything, he loved and supported them in everything they did.

Robert is preceded in death by his mother Laverne and brother John David Butler.

He is survived by his children, Anna Claire & John Thomas, Hot Springs, AR

and their mother Suzanne. He is also survived by his dad, Don, sister Sharon (Dennis) and brother Dusty (Olga) of Tallulah, LA; numerous nieces, nephews, cousins and friends.

A memorial service will be held October 19, 2024 at 1:00p.m. at Hot Springs Funeral Home, 1017 Central Avenue, Hot Springs, AR with Pastor Bryan Adams officiating.

Memorial donations may be made to

“ Robert & I grew up together-only one house in between ours - we did so much together as kids from wading in the bayou down the street, riding bikes & getting in the occasional scrap. But we were always friends 🙏 his mother was the most thoughtful lady & if Robert was as good a cook as her then his family & kids won 🏆 much love to all y'all

*Robert has been a wonderful neighbor these past yrs. I loved watching him serve squirrels peanuts on our common fence. He loved his dogs by caring for them faithfully & they loved him. May your loss bring you all memories to cherish & ease your pain. God rest his soul in heaven.

“ *I will never forget when he brought back Pig lips and put them in the refrigerator in our break room at Sam's club. Everyone would open the door and say eewwww. We both sat there and just laughed till we cried.*

*We were also at a stop light one day and a smart car drove by and it looked like it was a toy car that someone wound up. We laughed uncontrollably! I will miss you forever Rob Man. I will always be your buddy "C"*
