“ *My condolences to the Perry family. Robert was a great friend. We grew up roaming the area around Portland and Apex streets. One of my fonder memories of Robert was the times he went to Chicago and returned to take a algebra test and scored a 100 in MS Frazier's class.. Only Robert could do that. I'm so glad we reconnected over the last year.*

God bless you my friend.

“ *Sincere condolences from Colette O'Connor. I have fond memories of Bobby, I met him through Martha and we used to have some good chats about the sixties fashion from England. Bobby used to laugh about the winkle picker shoes and the drain pipe pants that was the style for the men back then. I know he will be sadly missed by all his friends and family .*
