“ *Robert, you could always make me and others laugh. I'll never forget the time my parents drove us home from bowling you had my dad stop the car and after he stopped you said it was for the "ant crossing". We laughed so hard. I don't know how to fit a lifetime of friendship and memories in this post. I'm going to miss you Robert. My heart is hurting for your family. I pray for comfort for them. Robert you will never be forgotten.*
