“ There's not enough room to tell of all my memories with your Dad when he was one of my brothers. I'm sure you boys remember most of them. The legacy that your Dad has left you though, is that everyone he came into contact with, loved him. He never turned anyone down who needed his help. He had a sense of humor that I see in both of you boys. You will always miss him, but it will get easier. He is now dancing with Grandma! Love you both so much!
