“ Rodney is truly missed. We had so many great memories. The first two pictures are our first and last date. The next one is from our trip to Branson. He loved Branson and taught me so much about the town. He also loved Leah Rose. They were 2 peas in a pod. Rodney and Leah Rose had their own language. They bonded over his love for trains and roller coasters. Leah Rose and I still use Rodney language.

Oh, and he had a love for Sunflowers and was so excited to see the Sunflower field at the Pumpkin Patch.

I am very fortunate for the time we had with Rodney and will cherish the memories we made. 💜💚 College Game Day will not be the same without you. Go FSU!!
