“ Mrs Rosetta will be truly miss at Hot Springs Beauty College, I met around 14 yrs ago as a student there, and now as an instructor there, I looked forward to seeing her once a week for weekly appointments. She was a wonderful lady, she was a constant in my life for such a long time, I will miss her forever, she was my friend and she always encouraged me as well the students. I love you Miss Rosetta Gordon, and I will keep Sam and the family in my prayers for ever!!

“ I met Ms Rosetta while I was in Cosmetology school , and I certainly looked foreword to our weekly visits ! She always has something interesting to tell , and had a wonderful dry sense of humor , without fail we ended up all laughing with her when she was in the salon ! She loved her family and cherished Sammy. You will be missed Ms Rosetta !!! You all will be in my thoughts and prayers , as you go through the grief of her loss

“ I'm so sad to hear of her passing. I did her hair for a while when I was in cosmetology school and I always enjoyed visiting with her. She would pick on me for trying to make the curls perfect or call me butter fingers when I would drop stuff. I think every student at the school had a crystal light container because she'd bring them every week. The world will be a little dimmer without her for sure. To her family, she loved y'all so much and talked about you all the time. Especially Sammy. You will surely be in my prayers.
