“ MaryAnn & family, Roy always came into our office to pay his insurance up until several months ago when he could no longer. I will always remember how he kept such an upbeat attitude in spite of the obvious pain he was enduring...He was such a pleasure to know & I'm grateful to know as a Christian, this is not his end...Only the beginning for him & we will see each other again one day! Praying for comfort in the months ahead. God Bless Ya'll ~ Cindy Redden/State Farm Insurance
