“ I have known Ruby for over 40 years now, she has always been a life long friend to me and my entire family. I have been paralyzed for over 50 years and she always came by to visit me and my family and always had a pleasant god giving presence that we loved. She would always bring us fresh made banana nut cake every Christmas that was just lovely and would stop by sometimes just to say hello. You could always count on her to come by with a pleasant visit and stories to tell. I will miss her very much.
