“ *What a truly great guy Rudy was. He is one of those people that you will never forget in life. He always had the funniest things to say and was able to get his point across to you in the funniest ways. When I look back on my years in the car business, I can probably list the positives on one hand. Being able to call Rudy White my friend goes on that list. His family is in my thoughts and prayers. I am so sorry for your loss.*

“ So saddened to hear of Rudy's passing. I remember of Rudy telling me of the many conversations he and my dad would have on the Hardtner, KS school bus. My dad drove that route for several years. Rudy's brother, Rex was in my class at Hardtner. Always enjoyed seeing and visiting with Rudy at the Hardtner School reunions. My sincere sympathies to Rudy's family!
