“ *Rose Marie:*

I am so sorry for the loss of both your parents. It hurts so deeply when they are both gone. I pray God will bless you with good memories and heal your pain. May He give you peace.

Lord... Please help Rose Marie feel your gentle peace, feel you helping her now most especially. May you bless her family, and allow them to draw closer during this time.

Thank You Jesus.... Amen Carleton Smith

My mom was a very strong woman who loved dancing. She was a very loving person always willing to help those in need. That's why she chose nursing as a profession. She loved her children and family dearly, she will definitely be missed. love you moma, your daughter
