Sally graduated in 1957 from St. Scholastica Academy in Fort Smith, AR. Her final educational achievement was becoming a nurse practitioner. From that achievement, she was very proud to have served 8 years as a Captain in the Army Nurse Corps. She was an avid student in the health field devoting much time to the allopathic field but also in the naturopathic field as well.

Sally will be missed by her friends in Eckankar, known as the Path of Spiritual Freedom. As a member for over 35 years, she took on the mission to carry the news and benefits to others of God's love for Soul. She was a devoted carrier of the message of ECK (Spirit) into the world, and frequently hosted book

discussions and “Have You Had a Spiritual Experience?” workshops for anyone interested in the central Arkansas area. Her fellow ECKists describe her as a joy to work with, and her natural leadership led her to be chosen to lead the entire Arkansas Eckankar outreach team.
