“ *So sorry for your loss. We lose the ones we love way too soon. I remember all the good times playing spades at the kitchen table. And when Sandi brought those potatoes to our barbecue (many years ago) Bob didn't want me to cook potatoes any other way. My heart goes out to you all.*

I will always love you my friend. We first met when we were living at Marvin Gardens, across the street from the school~we shared many laughs and tears together, watched our kids grow up and we shared a great friendship. R.I.L.~until we meet again my sweet Sandi. 🙏❤️
