“ Wanda and Family, I am deeply saddened by the loss of Sandra. She was my best friend for many years as we were inseparable. She loved her friends and family but her mother, Wanda, was the light of her life. My father was so fond of Sandra as a teenager and into her adult life. They are both in heaven with The Lord Jesus Christ celebrating they're beautiful lives. Wanda, please contact me when you are up to it And please accept my condolences. With love. 256-656-4196

Sandra was and is my baby Sister. We all loved her so much. She was one of four Girls and we are all very close and we love to be together and talk about all the best times of our lives and the not so good but we will always love each other no matter what and we always miss her dearly .we know that she's in a better place watching over us now and is no longer in any pain, now and forever. I'm not sure how we will go on with out her in this life. But I have faith in the Good Lord and his plan's. We,ll be with her when its are time. But we will never forget you sandra and it wont be to long and we,ll all be together again. Love you forever big sister. - Dena Sue Kea Stachmus and the Boy's
