“ *Betty, Michelle,  
I am so sorry for your loss and I am sad for this news. Sandy will always be a bright light among all my great memories of high school. Sandy was true friend to me in that time, and the value of that friendship was amplified by the wonderful conversations I had with Paul and the valuable mentoring he gave me during several visits to your home. Although I only saw Sandy a few times after high school, she would pop up in my thoughts or conversation surprisingly often in the many years since. As a good friend should. I pray for Sandy's peace and eternal joy. I pray for comfort and strength for you and Sandy's other family and friends in the days to come.*

“ Sandy was such a sweet girl!!! Every time that I saw her....she had a big smile on her face. She always took the time to stop & chat with us whenever we went to Mollie's which was at least once a week. I can't believe Sandy's gone....much, much too young. Sending love to Michelle and her Mom and the entire family at this difficult time. God bless!

“ Dear Betty & Michelle...the loss of Sandy truly broke my heart. Although I hadn't seen her in so long, thoughts of her and your family instantly transported me back over 45 years to precious time spent in your home with your family. Countless sleepovers and meals around your kitchen table always made me feel like one of the family, and the occasional burger downtown at Mollie's with Wanda, Carla, Sandy, Terri and me all squeezed in around Paul in the restaurant's biggest banquette made me feel as grown up as the celebrities pictured on your walls. Just like Sandy, those moments are irreplaceable. They made up the fabric of who we became while giving us such a strong foundation from which to grow. I'll always remember Sandy's beautiful blue eyes and the dazzling smile that so often gave way to laughter. I pray she's found peace in the hereafter, and I also pray for those of you she left behind. May God give you all the strength, comfort and support you so richly deserve.
