“ I was very saddened to hear that Sandy has passed. He lived just up the street from me, and we often played together along with our neighborhood gang of boys. Because Sandy's backyard had a basketball hoop, it was a frequent gathering place. His mother was a lovely lady who was very kind to all of us. When I worked as a young reporter for the "Sentinel-Record" newspaper, I wrote about Sandy's Trojan football and basketball exploits. I have many fine memories of him, and I offer sincere condolences to his family.

I lived across the street and remember that backyard being full of kids, Sandy, Tommy, Vernon S, You Robert P., Terry C, Duke... The semester Sandy lost his tuition money at Harry's... I had lunch with Sandy about 15 years ago, sad to see another old friend gone. Ray Turnbull "Hot Shot"

“ Sandy was a great guy and a true friend. We played football together when he was a senior and I was a sophomore. Later on we served in the Army Reserves together for six years. I had some fun times hanging out with him, a personality you won’t forget. I moved away from Hot Springs and lost touch of him, last seeing him around 1992. I hated to hear of Sandy passing. He will be miss greatly by everyone. Peace to his family.

What a neat, funny guy Sandy was! It was fun to run into him around town. He always had that grin and the swagger. I attended Jones Elementary School with Sandy, so I've known him for a long time. I regret that I will be unable to attend the service and after-gathering as I'm dealing with COVID and in isolation. Prayers for all of the family.

*Sandy was special in so many ways. The good memories of getting to know him much better back after his first stroke are many. The great stories he told us driving around and at our group lunches about himself and Hot Springs are priceless and will never be forgotten. Sandy was an American Original and an asset to Hot Springs that can never be replaced.
