

## Sarah Elizabeth Baim Talley Landers

December 19, 1953 - June 24, 2019

Sarah Elizabeth Baim Talley Landers of Hot Springs Arkansas passed away Monday, June 24 2019 at the age of 65.

Mom or Beth as her friends called her was a very fun loving, determined and do it her way kind of woman. She loved her children, grandchildren, family and friends. Her interests and hobbies included fishing, going to the lake, watching her birds and squirrels, watching her grandchildren in their sports and activities, family get togethers and cook outs. She loved to cook for her family and friends. She was very avidly into her family history, with anything from newspaper articles, photos, movies and any memorabilia she could find. She was a very crafty and fix it type of woman. She could fix things of all types and sizes, from small appliances to framing and building her own shed. She loved to make crafts of all sizes and shapes, from small decorations to large wall designs. She also loved to write poems and create scrap books. Mom was a very detail-oriented person that was very organized. She wrote everything down, never threw anything away and could always tell you exactly where to look for anything she had. Mom will truly be missed in so many ways..... she was our best friend, our hero, our biggest fan, our fishing buddy, our bookkeeper, our cook, our Mom and Grandma. We all love her and will miss her so much.

“ There are no words strong enough to express my deepest sympathy in the loss of your mom and grandmother. What a wonderful, loving, devoted, funny, dear, true person she was!! She and I never exchanged a cross word with each other. How blessed you all are to have her for your mom and grandma! My heart hurts for you all. I find comfort that you will carry on her legacy and that I know her life was fully lived surrounded by her wonderful family who she loved SO much!  
My love to you all, Janet Neal Fotioo

“ My deepest sympathy to all everyone who is related or knew Beth!  
We all know how she loved life and all the people she touched. I worked with Beth for several years in the toy business. Beth was one of the hardest workers I know. She was very detailed and cared about everyone... the vendor.. the customer and us sales people. Beth and I had a special friendship. I'm so sad that she never made it up to Canada to spend some time with me. We talked about it several times. No doubt Beth will be missed and will leave several holes in our hearts.

Again my deepest sympathy! ❤️
