

Sarah Ashlyn Noelani Willis

September 3, 2002 - June 27, 2022

Sarah Ashlyn Noelani Willis was born on September 3, 2002. She was a special gift from God, to Floyd and Angela Willis. Born just one minute before her twin and weighing just 2 lbs. 3 oz.

She was born in Hot Springs, AR. though at the time her home was in Malvern, AR. Her first 2 months of life was spent at Children's Hospital in the NICU.

She went home to be with Jesus on Monday, June 27, 2022. Surrounded by family and the loving, caring staff of PICU at Children's Hospital in Little Rock, AR.

We wish to thank all the wonderful staff of Children's Hospital that have been family to us for the past few months. According to the staff at Children's Hospital, Sarah was what they call one in a million. Children like my Sarah don't normally live past 4 or 5 years old. Sarah was not only a fighter but an exception to the rule. She fought for life. We had been told several times that we needed to prepare for the worse and then she would do a complete 360. She got tired of fighting and got to run into the arms of Jesus just before 5 PM on June 27, 2022.

Sarah was predeceased by her maternal grandmother, Affelene Ashley-Holt

and her paternal uncle Jimmy Willis.

Survivors include her parents, Floyd Willis and Angela Cooper Willis; paternal grandparents, Danny and Pam Willis; paternal grandfather, Sanford J. Cooper and wife Alice; bonus grandfather, Kenneth Holt; siblings, Cody and wife Heater, Bobbie Danielle, William, Mary and bf Je'son, Christina and bf Tristan, Jacob, Tara and fiancé Andrew, and Isabella; a host of nieces, nephews, aunts, uncles, and cousins who love her dearly.

We want to thank Children's Hospital and PICU for all the love and care they gave us during this difficult time.

“ *I remember the day you were born my sweet Angel. You were perfect. You became the center of my world. Yes all children become the center of your world when you love them but ours was different. Everything I did and everywhere I went surrounded around you. Especially when you got older and heavier. I'm glad I got to be your mommie. I'm so blessed because of you being you. Not everyone understands special needs but if they stopped long enough to see how bright the world is just because you were in it they would see special needs just means super special. You light up the world with your smiles and laughter!! You made me laugh just because you were laughing and I was the clueless one. You know I often wondered if it was because you were having your own special time with Angels. Maybe you were seeing super special things in heaven. Well baby girl now you get to experience the best of heaven without limitations!!!! I Love You Sweet girl. Can't wait to see you again*
