“ I was saddened by the news of Scott's passing. We had lost touch as adults but I have many fond memories with my cousins growing up. From Sunday family dinners to long walks in the woods and tin can races in the creek to name a few. Whenever I think of Whitie these memories put a smile on my face.
My condolences to Scott's family and friends, Bonnie and family

“ Scott was a great friend. My heart truly breaks to hear of his passing. We worked together and became friends at Craft Manufacturing and Tooling. I know that his son and daughter was his heart. Love you my sweet dear friend.
