“ *Shane was always present throughout my childhood, since Liz and Jesika are two of my oldest and dearest friends. I remember he was the first person I ever knew who I could talk to about my favorite singer because music was a passion we both shared. It always made me happy that he'd include me in those conversations and treat me like family when I came over for a visit. He was a good father and kind person, and he will be greatly missed.*

Shane Graves was always good to me. Shane will be missed. Why at one time, I rented (4) storage units from him and when I purchased my own storage building, Shane told me that he hated to loose my business because I was the best customer he ever had. He was firm, fair and consistent in all his endeavors. He will be truly missed by myself and many. My daughter Katherine was his daughter Liz best friend. Liz learned how to ride horses, and even drive a car by sitting on my daughter's lap. He will be greatly missed and he can now rest in peace with our Lord and Savior Jesus Christ.

I just found out Shane has passed. I have known Shane and his brother Danny going on thirteen years. Shane was a good man. He was a patient man who loved the Lord. I miss him. I will see you, again, one day btother. I know you are with The Lord.
