“ *Shaneah I'll always remember your kindness and beautiful friendship and the comfort you brought to me when my beautiful wife passed away. This world never deserved you. Its Angel's like you that were sent here to bring comfort to the lost ones. I wish I could have known what you were going through. God knows I would have taken away your pain.. rest in our fathers living arms and await the rest of us. I will never forget you and I'll always love you.*
