“ *I was so sorry to hear about this and would just like to send out my thoughts and prayers to Shannon's family. Shannon was a childhood friend of mine when my family moved to Hot Springs Arkansas. I just remember having so much fun with her and looked so forward to those weekends when my family would get together with hers. I will never forget those times we shared and will cherish them always.*

“ *Larry and I would like to send our condolences to Shannon's family. We knew Shannon as a child when we lived in Hot Springs and our families were close and got together on weekends and our kids played together. She was a sweet little girl and always kind. Our thoughts and prayers are with all of you during this very sad time.*

“ I had the privilege of working with Shannon, she was a beautiful person with a caring soul and great outgoing personality who could always make you smile and a super coworker who would always ready to pitch in to help with any task. Shannon was a great friend, she will be missed by all who knew and worked with her. Until we meet again.
