“ *My heart is heavy. I am just learning of Sharon’s passing or I would have been there to say “goodbye” until we meet on the other side. She has been on my mind the past couple of weeks and I was planning on calling her to go to lunch. She was a dear friend, but didn’t see each other much after she moved to Heber. Always remember to give hugs and I Love You’s to those you care about. Sharon was a very loving person and we had some good heart to heart conversations. My sincere sympathy to Shannon, her grands and the rest of her family. Love to all. God has received his servant!* ”

It was such a shock to hear of her death. I had not long after her move to Hot Springs, messaged her to see how she was doing and if she was all unpacked and settled in her new home. She told me she was doing good, but would take a while to get all the boxes unpacked! I loved Sharon and Keith, as they were both in our Sunday School class. We mourned Keith's home going along side her. It was so evident how much she loved Keith, because she never was truly as bubbly happy since. Her smiles were not near as often, as before, and we all knew why and understood greatly. I know Sharon is praising the Lord in her new Heavenly home and she and Keith are worshipping together again, and Sharon is now happier than ever before. We will see you soon!
