“ Bill and family, I am so sorry to hear about Sharon. She was a sweet person. She was one of the first to send me condolences for Raymond.

*I am praying for your family. Take comfort in knowing she's with GOD now. I know she's singing something joyful her favorite hymn or maybe a Beatles' song.*

“ *To Stephen and Sarah: I am so sorry to learn of your mother's passing! Of course it's been many years since you two were in Children's Church at Trinity, but I remember your mom as a sweet, quiet lady with a ready smile and a warm demeanor. I just want you to know my heart hurts for you and I will hold your family up in prayer. From Sue Rupp ("Miss Sue")*

“ *There are no words at a time like this that can say what the left behind want to hear. I know that I loved to come into the shop and see Sharon's face light up in a big smile. she would then run around the divider and hug me with the biggest hug. She always made my day. Then there were the many FB posts too. I always knew that she loved me. We always had a connection of her brother Jimmy Davis. Those Davis' are pretty darn special. Jim and I send our love and Prayers to the whole Family. I look forward to Sharon and I's next hug.*

*Sharon and I were first cousins we played together as young kids. We just got back in touch through Facebook after many years of not hearing from each other and I always look forward to seeing her on my page and she always had something beautiful to say and put Hearts by all of my posts. She was loved growing up as a young girl the whole family live next door to us we had a big family also. We were all so close I wish I would have been around her more lately. God brought her home to be with the rest of her family. I am sure she is rejoicing in heaven. God bless the family the children and the grandchildren and the husband my thoughts and prayers are with you all as you go through this sad time just remember she is in heaven with her family that she loved dearly and hurt so much when her sister passed Marlyn not so long ago it hurt her so bad. Knowing that she is with them now is comfort. She will be missed 🙏❤️*
