“ I had met Shaun through social media many years ago. He was fun, kind, caring, and loved life. We talked about football, wrestling, and family. He was Christian and always kept the faith.

*His Facebook and Instagram posts were lighthearted and enjoyable, and I miss his posting often.*

*I hope he is enjoying being reunited with his mother, and is at peace. RIP*

“ Shaun was a light to everyone who met him. He reminds us of what it means to enjoy the simple things in life. What a joy to Lynn and I to have known him for so many years, he was such a special guy. May God hold you and yours in the palm of His hand. He's reunited with our sister now, watching over us all.

“ *Shaun always was a joy to be around too happy sometimes but that was how he was. He always had something nice to say and genuinely meant every word. He will be missed all of us who knew him. We have missed seeing his daily posts on FB and Instagram. I am sorry that you are gone but you will never be forgotten.*
