“ Every time I saw Shawn she was happy and full of energy. I loved her sense of humor. We were always laughing about something. She was a friend that I will dearly miss. My heart goes out to James and all of her family. I am so sorry for your loss.
James, if you need anything you know that Stephen and I are here, no matter what.

“ I know she had a beautiful smile and she dressed with class and style. People were drawn to her and I loved talking with her and listening to Christian music and discussing our spiritual journey . I miss her terribly she touched all the people that she encountered through out the day. A bright and beautiful star has been called home.

Spent a lot of time with Shawn when she was a little girl. She was so tiny & sweet. Shawn's sister & I would take Shawn To so many places especially to the swimming pool almost everyday in the summer. She loved getting to go with us. As we all grew up we went different ways but I have kept the love, & memories over the years. I will always have love for her. She will be missed. Prayers for her & her family & friends!
