“ Prayers and condolences for the family of Shirley Terral. I met George and Shirley years ago when I worked at JCPenney. They were one of my awesome customers. They loved gardening and would often times bring me veggies, which I always shared. I loved them and they loved me. They were a beautiful couple. My prayers are with the family.

PS

“ I met Shirley just about a year and half ago while we were waiting on our husbands in the dialysis waiting room. She was so welcoming and friendly to me and we immediately formed a bond. She was so helpful to me in adjusting to our new lifestyle with information and advice and we exchanged recipes and shared stories about our experiences and our families. Shirley was the self appointed hostess of the waiting room. She knew everyone and always asked about them and genuinely cared about them. She will be greatly missed by everyone and I will especially miss our visits we shared. I feel blessed to have called her my friend.

Love,  
Peggy Scott

“ I will miss our lunches and shopping outings. Your friendship and loving nature meant a great deal to me. You have certainly earned your place in heaven. I am glad that the last thing I said to you was I love you.
