“ Dear Family I had the pleasure of working with your wonderful, caring Sidney. My wife Judy and I enjoyed his company at our Hot Springs Relay for Life at the Oaklawn Racetrack the middle of June. He actually gave me a huge hug when I was diagnosed with cancer and again in November before I left for MD Anderson in Houston. I never believed I'd return to hear of his passing. He was so young at heart, socked when he told me he was 81. Sidney had such a special heart and did alot of kind volunteering in our Hot Springs community. Sending our sincere sympathy. Sidney's Friends Love to You and Your Family Judy and Harry
