“ My family and I recently had the honor and pleasure of spending time during April, 2015 with our extended family. So much joy and laughter filled this home! I can still hear Steven's laughter and see his smile. Anthony was quiet and funny. Tykee, Anthony, and Steven were so richly blessed to have known the love of a beautiful family!! Cindy was a funny, generous, beautiful spirited woman. My Uncle Allen had finally found his true joy in life when he met Cindy. Cindy took beautiful care of my Grandfather as well. I got the chance to laugh with her and to know her better. My profound heartache and sadness lies herein that I will not see this wonderful family whole again. My joy is that I carry wonderful memories within my heart. These I will always hold in my heart with a smile and love.
