“ Stacy use to work for us, he was a hard worker, loved to joke around and laughed alot. Stacy will truly be missed. My husband said that he was mad at Stacy because he left us behind to deal with this old world. I know Stacy is laughing right now.....Fly high Stacy.

“ Stacy was our neighbor for a short time, he was quiet, yet kind and always willing to lend a helping hand. I remember my car wouldn't start one morning, he was on his way out, stopped, and asked what was wrong. He checked the battery, saw it was bad, took it out, and took me to auto zone, so I could purchase a new one, he then installed the battery, never asking for anything in return. He was a good guy. May God, embrace and comfort the Samuels family, during this time. God Bless!

“ The love I have for my daddy is unfathomable! He was a structured and hard working man! He always provided and especially for his children. I don't believe there was a Christmas that went by, that we didn't have bikes! Whether they were brand new or he put them together. I'll never forget the wisdom he instilled in me! So for that, I'll walk with my head held high and keep his legacy true to my heart  
❤️🦋❤️ Rest in love and peace daddy!! Love Ashley
