“ *I really don't know how to feel knowing that you are gone. You were more than my aunt; you helped raise me, and I spent so much time at your house from the time I was a baby until I turned 14. I miss you, but I know you are no longer in pain. When God is ready for us, He is ready, and I cannot be selfish. I have to accept God's will. I will forever miss you! Thank you for everything you did in my life.*
