“ Rode the bus with Steve Kimery and he was the kid that made all of us laugh. His mimicry of the EveyIn Speed Reading Course was a classic. And his writing in Chinese has stayed with me to this day. He kept it light when it was darkest. He was the one who understood what was going on at my house. He was kind when many were not and he always made me feel like he completely understood whatever heartbreaks were happening at the time.

Look forward to see you again on the other side of life. Proud to be known as your Friend, Mick Johnston*
