“ Sterling was great friend to my mom tomie jo allen. They lived on same road, but don't know how they met. Mom was life long church of Christ and that's what made them friends. He called mom "sis"..his sister in Christ and he was also her life saver if something broke...we'd call sterling! One day something broke and mom was need help. My 9 year old daughter savannah was with mom and simply told her...go call sterling silver! He was sterling silver to us from then on. If I was out that way, I'd stop to ck on sterling and ester. Mom wanted him to do her funeral so last year, at 98,she went from walking around westshores, to the hospital. I called sterling to let him know and remind him mom wanted him to "sent her off". He started crying and said he was ill himself and wouldn't be able to. I told savannah, I hope that Serling had a couple of tools when he gets to heaven cause I'm sure she's been waiting on him to fix a couple of things.. great friend to her and so many others. He will be missed
