“ My precious 1st born son : today is Jan. 15th , 2015. It took this long for me to be able to put into words what i want to say. I LOVE YOU MORE THAN MY OWN LIFE & ALWAYS HAVE, ALWAYS WILL. We were closer than anyone knew. i'm thankful for that . We shared many things & talked about everything. Let's not forget the many laughs we had !!! When you left , a big part of me went with you. I cry every day & every night, because i miss you so. I blow a kiss every night to you & your MaMaw (my wonderful Mom). I know you're with her , that makes me happy. She loved you deeply. It also makes me very happy because i KNOW you loved GOD & believed in praying to JESUS. I'm grateful you no longer have the physical & mental pain & anguish that comes with living in these flesh bodies. I look forward to the day i can join you & share the happiness of being with Jesus in paradise. What a joyous day it will be. I LOVE YOU , I LOVE YOU MY DEAR SWEET SON, YOUR LOVING MOTHER FOR ETERNITY MOM

“ To all Steven's family, my prayers and thoughts are with you. I can't even imagine how you must feel. I didn't know Steven very well but have a few memories of him coming to our house when we were living in Rolla. And then when he was staying with Aunt Ima Jewel in the apartments here in Hot Springs. He will be thought of often and I know he is in a kinder place now. Love to all of you from myself and Mom.

Rest in peace Steve....Have a lot of good memories way back when we were crushing the sonic strip and driving on the back roads spotting deer. And the camping trips with you and Shawnette. It was so much fun and you would make me always laugh, especially between you and Shawn....When we were camping one time and it was storming like crazy and filling our tent with water and Shawn was crying my shoes my shoes...lol..I wished we could of stayed in touch with each other. Your families are in my thoughts and prayers. See one day Angel :)

“ *My nephew Steven you will be missed dearly, we grew up together, camping on the river or just going for the day was a big event for our family. one particular time we were camped on the caddo river, Steven and I decided to body float the rapids, funny thing we decided to float on to low water bridge which was a long trip, we made it but we were dirty and muddy from the river and we had to walk back to camp, by we had a blast and laughed the whole time, there are many good times and lots of heart to heart conversations that I will keep always.*

I can't imagine how you must feel Linda & (family), I just know from my own faith that this is never the end but at some day in the future you will meet again. “ *You were my only brother. You were my role model my entire youth. My whole childhood is dedicated to you. I feel like I've lost everything but I know you are with me somehow. You proved that yesterday and everyday since you've gone. There's not one memory that deserves mentioning over the other because they are literally all so special now. I wish we could just get together and watch point break or Tommy boy. I love you bro with all that I have left. I will make it all right, I promise. I love you I love you I love you I LOVE YOU*

“ It's hard to express any words, I can't imagine the pain the family is going through to lose a son, father, brother, a friend. I only know that I will pray for your family for strength, God is so much bigger than all of us and has a plan for us. Steven you will be truly missed by all those that loved you but it isn't the end everyone will see you again. God please surround this family in time of need and show them your love, strength, and healing for they need you so much now! Linda, I'm so sorry, I wish I could hug you and take some of your pain.
