“ *What a wonderful, strong, brave woman Susan was!! Known 1st cuz Susan since birth. My sister, Judy, knew Susan well when we lived close by on Parkhill & Garland in Hot Springs early to late 1940's. Lots of fond memories of our lunches together with Susan & Ritter/Steigler/Holiman family members at 1217 Malvern deli in 1980's thru about 2010 and visits at several family reunions with Don & Susan. Susan's entire extended family are in Marilyn's and my thoughts & prayers. Many blessings all, Ray Robinson*

“ I have known Susan from childhood and was probably her closest friend. On my last trip to Hot Springs I called to talk and she begged me to come see her. I was having a bad time with my blood pressure and was not able to get there . I know so many times we think there will be another chance but sometimes things happen sooner than we think! I pray for her family and know that I loved Susan as she loved me , faults and all. I pray she rests in God's arms now!

Although we graduated from HSHS together we didn't become friends until we went to Business College. We had lots of laughs along the way. I did get to visit with her and Don a few years ago and enjoyed it so much. I pray for comfort to Don and the rest of the family. Rest in peace, Dear Susan.
