“ We came from big families, especially on her mom's side of the family, and Sue was the only one who kept in touch with me and she will be missed. Always ready to talk about family, who she cared about a great deal, and she had memories of things that happened years ago that I had forgotten about or even knew about! Always great to visit when I could and I always tried to keep in contact with her.

“ Ms Sue was such a wonderful example of what a loving, caring Mom is. I loved her also and had so much fun visiting and she could be kinda funny sometimes. She could make me laugh mostly , about her daughter, (Jenny), who was her pride and joy. But She could tease and / or cut a joke sometimes about , Jenny and Stan ( my brother), was soooo much in love. While they were on vacation , Ms SUE would make me laugh by saying " Don't you wish you could be a fly on the wall ??? Ms. Sue ,, I will personally miss you and it just want be the same at holidays etc. Ms Sue , you was such an easy to love and care about. She and my Mom always could share family memories etc. This might be a bit long, but Ms SUE was not only family to me,,, but such a dear friend. RIP Ms Sue !! I will miss your smile so much.
