

Sylvia C. Arredondo

October 1, 1962 - May 3, 2021

On May 3, 2021, Sylvia C. Arredondo went home to be with Jesus. She passed away peacefully at home.

She is preceded in death by her parents Porfilio Arredondo and Carmen Arredondo.

Survivors include her partner of 17 years, Kim Andrews; her brothers, Adam (Janice) Arredondo and Raul (Diane) Arredondo and her sister, Elvira (Adolph) Marquez.

Sylvia was a one of a kind person. She could be tough as nails or as soft as the 20 pillows she kept on her bed. She was indeed “Old School”, as she’d say and when she gave her word she meant it. When she was your friend she put her whole heart into you. She had an ear to listen to you anytime you needed but you could bet your entire bank that her opinion would be given however she always respected your choices and loved you regardless.

She will indeed be greatly missed by many as her physical presence has left this world, trust and believe her memory will continue to live on in the countless lives she touched.

In lieu of flowers please donate to SPCA or St. Jude.

“ *Sylvia's Texas size heart she kept so guarded as a survival skill was only seen by a very select few. No words can begin to express the deep hole in my heart from now until we meet again in heaven.* ”
