“ I was a student in Milroy's class. Clueless and small. A little older now and it's so strange to think about my 1st grade teacher dead. It just feels.

“ I was fortunate enough to work in Tara's room at Gardner to help with reading groups. She was a great teacher who cared about the success of each child. Flu high! Loretta Ross

“ Tara was the most beautiful little girl I had ever seen when her Aunt Louise and I were growing up. That beauty only intensified inside and out as she grew. Charlotte, I am so very sorry for your loss & to the rest of the family as well. She had a wonderful teacher in you, her sweet, beautiful mother.

“ Pat and I took the (kids) to Six Flags over Texas, the Dallas water park and to the Zoo many years ago. So much fun and many wonderful memories. Tara really enjoyed the water spray while watching one of the water rides.. Took awhile to convince them it was time to leave and head home. Rest in Peace sweet Tara.
