“ *I am very saddened to hear about Teri's passing. My heart goes out to Melissa, Catherine, David, and the whole family. The first time I spoke with Green Eyes was on my 15W Midland CB from across town. Later, we reconnected on the local BBSs around Hot Springs at that time. She had a fiery, loving spirit, and she adopted me (among a few of us BBS hoodlums) as her own. She always made it a point to tell me how smart... and how weird I was. I hope you've found peace, Teri. I love you, and I'll see you on the other side.*

“ *I am very saddened to hear about Teri's passing. My heart goes out Melissa, Catherine, David, and everyone in the family. The first time I spoke to Green Eyes was on my 15W Midland CB from the other side of town. Later, I got to know Teri and the rest of the Dugan clan from the local BBSs in Hot Springs at the time. She had a fiery spirit and adopted me (among many other BBS hoodlums) as one of her own. She always made it a point to tell me how smart... and weird I was. I hope you've finally found peace, Teri. I love you always, and I'll see you on the other side.*

“ *I meet Teri in the High School lunch room. She thought a peer was nothing me. She came up to me and said, "Hi my name's Teri, is she bothering you?" She was willing to help a stranger she thought was having a problem. I knew then she had a big heart full of love for others and we became best of friends. She always took care of others and gave love and comfort no matter what she was going through. I pray to be more like her!! I love you Sister, will think of you every day til we meet again!!! Love you always and forever fly high our Angel !!! Your spirit will live on in our hearts til we all get to heaven! David, Melissa, Cathrine, and precious Brook love u more than you know. My prayers are with you. I am here for you always forever my extended family. Janet Yancey*

“ *Teri was a very special woman. She treated me as her own. My most treasured memory was the night she wrote out her version of an adoption paper on me. It said that she was hereby adopting me as her daughter forever and always. For that I loved her so much. She will forever and always be momma to me. RIP MOMMA. I love you.*
